

## GM's Message

I am proud to present you the inaugural issue of PROLiNK e-Newsletter.

First and foremost, on behalf of all the staff from Fida International (S) Pte Ltd, I like to wish all our Christian readers a Good Friday and Happy Easter!

With the economy picking up from the seemingly perennial market malaise, we look forward to a better year ahead.

Yours sincerely

Mr Jack Huang  
General Manager

## Hurricane 8600 USB Modem

PROLiNK launched Hurricane 8600 USB Modem early this year. A full rate controllerless-based ADSL modem, Hurricane 8600 is fully compatible with all T1, 43, G.Lite and G.DMT ADSL standard.

## Chinese New Year Celebration

All staff celebrated the start of a prosperous Chinese New Year at the company reunion dinner at Hilton Hotel Singapore. The celebration ended with a karaoke session in a lounge along Orchard Road.

## Hurricane 9000 Awarded Type Approval From Innove Communications, Inc.

Hurricane 9000 was awarded type approval from Innove Communications, Inc. This means that PROLiNK will be working more closely then before to supply ADSL modems to Innove.

Innove is a subsidiary of Globe Telecom, one of the leading telecommunications service provider in the Philippines. Singapore Telecom is a shareholder of Globe Telecom.

## PROLiNK Sponsored Terry Fox Run In Vietnam In Aid Of Cancer Research

PROLiNK sponsored the Terry Fox Run in Vietnam late last year. US\$2000 was donated to the foundation in aid of worldwide cancer research.

Hundreds of participants turned up for the event.

The sponsorship was done through HanPhan Computer & Advertising Co. Ltd, authorised distributor of PROLiNK.

We welcome contributions and will be giving away a copy of eTrust anti-virus software for any story published.
