

JULY 2005 PRODUCT NEWS  
FOR IMMEDIATE RELEASE

## Style and Comfort..It Just Clicks!

Singapore July 2005 – FIDA International (S) Pte Ltd introduces the new USB / PS/2 Optical Mouse – PMO133.

Here's a mouse that's anything but ordinary. With its silver and black design, the PMO133 USB / PS/2 Optical Mouse is sure to add style to your desktop. Its unique ergonomic design will fit in your hand and feel like it was built just for you.

Because it uses optical technology, you'll get ultra-smooth, precise tracking across almost any flat surface—with no ball to clean, ever. Add to all that a bunch of extra mouse functions, and you get an extraordinary mouse that's designed to fit the way you work.

Once you step up to the advanced precision of the PROLINK PMO133 USB / PS/2 Optical Mouse, you'll never look back. This amazing mouse lets you experience the speed, precision, and the enjoyment of plenty of comfort and convenience too!

You'll get outstanding performance, a comfortable fit, and an array of time saving extra features... all in an eye-catching design with PROLINK PMO133 USB / PS/2 Optical Mouse.

- Provides the best and comfort operations
- Allows the most perfect instructions
- Super high sensitive with 600/800 CPI (Optical)
- Unique and elegant design
